Mrs Barak,
Attached is a preliminary itinerary for Mr Barak's Vancouver and Calgary events with Bon Mot Book Club.

They would like him to sign 200 book plates for each event. They could leave them in his hotel room so he can sign at his leisure if that works for you.

Lastly in terms of speech content, they do not want his book to focus on "Start up Nation" rather they would like his speech to be "Rising Challenges from the Turbulent Middle East." Please confirm you are ok with this.

Thanks and please let me know if you have any immediate questions or concerns otherwise I will be in touch with the missing info shortly.
Thanks,
Emily
